

SUNSHINE COAST REGION BASEBALL ASSOCIATION INC.

Volunteer Opportunities

Parents and adult family members are encouraged to join the volunteers who support this Association. Opportunities include:

- Coaching
- Administration
- Team Managers
- Umpires
- Field Maintenance
- Scorers
- Special Events

Coaches Build Character

Sports can provide great opportunities for children to learn about teamwork and responsibility. But sports don't build character – coaches build character. So, the Association seeks coaches who focus on the effort and conduct of the young players rather than the result of the game. Volunteer coaches should teach children to play fair, play hard and be winners – regardless of the score.

We encourage all coaches to attain a minimum of Level 1 accreditation. The Association and its affiliated clubs will reimburse the course fee for those who complete 1 year of coaching for the Association after gaining accreditation.
